Subject: Issue warning letter/Showcase to Muntazir mehdi

Aoa madam

Hope you are good!!!

It is inform you that kindly issue warning letter/Showcase to safety warden Muntazir mehdi(12645511-AL HAMD FILLING STATION) for leave without informing the supervisor today and mark him absent today 04/03/2023.His paid leaves are completed from this QUARTER and he already know that.

It's non professional way to perform his duties without intimidating the official.

Without informing supervisor taking leave for sick or not feeling well is not meaningful for us just because his actions.

Thanks

Best Regards
