Subject: Poor Microplan quality of UC-09 (Mr Alamzaib), Tehsil City, Rawalpindi reported during Microplan Quality assessment.

Dear Ms. Hina,

As all of us are aware that Microplanning is the Prime responsibility/TOR of UCPO in his/her own UC during precampaign.

However, Mr. Alamzaib UCPO of High risk & drainage City UC-09 (working in program /UC for around 10 years) has failed to do so. UC-09 Microplan was desk and field validated on 7th March 2023 upon the directions of National-EOC. It secured 69% in Desk validation, 77 % in Field validation & 73.5% overall which is below the benchmark, leading to failure of MPQA for District Rawalpindi.

Strict Necessary action is recommended by the undersigned being his first line supervisor. In addition, find attached below the Dashboard screenshot for the above mentioned Microplan quality issue UC -09 of Tehsil City, Rawalpindi.

Regards.
