Dear sir.

with great respect i stated that I received your explanation call letter . There are eight areas of UC GHUNDI B in my supervision and monitoring. One UCPO and Three Unite supervisor and each monitor will validated equally of same area for each campaign.While my responsibility to validate two areas of same UC. But you know better than me.

There is high volume of work and back to back campaign and busy schedule with so many activities in Polio Program which is going on pre campaign .

unfortunately I validated one out of two .
for next time inshallah we will avoid this kind of omission again .

Regards Mirzali khan UCPO
