Subject: Warning letter Rrquired

Dear Ma'am,

It is here by reported that safety warden Faisal Azad at AK Filling Station Islamabad is repeatedly violating the QC time stamp Policy. I warned him numerous times to assure his presence at forcourt before the time but every other day he is coming 10 to 15 minuts late. This is causing me to face exceeded number of unapproved visit on daily basis. It is a humble request to pleae issue him a warning letter so may he take it seriously.
