Dear Sobia,

I hope that you are doing well. It is to update you following SW found with poor practices during my monitoring visits.

1. He is found using color jacket on Duty.
2. He is using Casual shoes and not wearing Safety Shoes on Duty.
3. He Shared fake data through Engage app. Actual working on Site is below 10%. While he sharing fake reporting despite verbal reminders.
4. Intervention of SW and SC is almost None.
5. On my Last visit he is been asked to coordinate with SM in case SC's not following compliance. But in recent visit SM told SW never shared any report to him and TM Tariq Sahib also requested SC's conduct is not professional.

As SW is found in data fudging and his personal conduct is also Poor it is requested please take disciplinary Action against him, As per policy his contract needs to remove. CCTV footages are attached here with for your working and Reference.
