Subject: Application for Transferring

Dear mam

With due respect, and reference to the subject, I would like to inform you that I am safety warden of Haider Filling Station, Gizri, Karachi, I would request to please transfer me in my locality area, because I have bike issue. And also I came to know through CTC website that Best Way Filling Station safety warden position is vacant which is near to area.

If you transfer me, it will be so kind of you.

Thank you.

SUMAIR AHMED
