This is with reference to the explanation reply which was received today at morning time on account of my non seriousness and unprofessional attitude.

Firstly here I would like to apologize you especially my negligence and non seriousness.

Next time I will never do a single mistake during any activity.

Here believe me I always try my best and working honestly program betterment.

Moreover, here is the main issue of signal/network even then

I hope my reply will make you satisfy and I assure you for satisfactory regarding my performance.

I shall be very thankful to you

Regards Abdul Ghaffar
