Subject: FW: Resignation letter

Dear Mr. Hassan Ali Khan,

I hope you will be doing well. It is to inform you that your attendance has not been verified from the Field from 1st May 2023 till 20th May 2023. It implies that you did not initiate Leaves and you were absent for all the mentioned dates without approval. This shows gross negligence on your part and it amounts to strict Disciplinary action. Furthermore you have resigned from your position with immediate effect which is also violation of Resignation Policy. As per PTPP Staff Service Rules (PTPPSR) Clause 5.3. Last Minute Resignation.

“ If any employee tendered resignation without serving prior one month notice shall not be paid remuneration for the month.

The employee whose contract shall be concluded under the above rule shall neither be issued any reference letter nor eligible for rehiring.”

Therefore, you are not eligible for above mentioned benefits.

Best Regards,
Muslehuddin

Dear Muslehuddin,

I hope this email finds you well. I recently realized that there was a mistake in my previous email regarding the date. I apologize for any confusion caused.

In my previous email, I mentioned May 10th instead of 1st May, so you are requested to please make it correct

Respected Seniors,

It is to bring in your kind notice that I am giving my resignation on immediate basis due to my poor health condition and my last working day was 20th May 2023. I know as per CTC SOPs I had to give one month prior notice but it's a request due to my health condition I can't continue my duty further more. during these days there was some communication gaps just because of network issues.

Hoping for the good response from your side.

Subject: Resignation letter

Respected Seniors,

It is with deep regret that I must submit my resignation from my position as UCPO Date 20th of May 2023 .I have been struggling with some health issues that have made it increasingly difficult for me to fulfill my responsibilities at work.

During these days I was out of reach just because of network issue as our Booster Tower is not working properly and signals are so week in our area.

I want to express my sincere gratitude for the opportunities and experiences that I have gained during my time with the company. It has been an honor to work with such a dedicated and talented team. However, due to my health condition, I have come to the difficult decision that I need to step down from my position and focus on my health and recovery.

My special thanks to the company and the team for the support and understanding that you have shown me during my tenure here. I will cherish the memories and experiences that I have gained, and I wish you and the team all the best in the future.

Best Regards
