Think Secure. This email is from an external source.

Dear Ma'am,

Greetings!

Further to discuss with the supervisor, he has obtained the consent of the safety wardens on the requested timings (1:00 PM - 9:00 PM), which is convenient for all of them except Ugoki FS Safety Warden, who is working in Gujranwala and he has to be returned to his village every Saturday (which is 80 KM away). It will be difficult to find local transport after 9:00 PM for him.

Best Regards,
Rehana Mansha

Hi Maria

Considering the practicality, we need to cover Ghous FS, our main site in two shifts, by deploying 2 safety wardens; 8am to 4pm and 4pm to 12am.

And remaining wardens need this change of timing from 1pm to 9pm to cover peak hours.

Ghous (move & utilize warden from wazirabad FS to ghous FS, as Wazirabad is closed)

Change work timings on all below sites (1PM - 9PM)
