Dear @Sir Suhail Laghari

I am writing to inform you of my decision to resign from my position as Safety Warden at Shell. After careful consideration, I have decided that it is time for me to move on and pursue new opportunities.

I would like to express my sincere gratitude to you and the entire team at Shell for providing me with the opportunity to work in such a wonderful organization. I have learned a great deal during my time here, and I am grateful for the support and guidance provided to me during my tenure.

I will do everything in my power to ensure a smooth transition of my responsibilities over to my successor. I will complete all outstanding work and ensure that my team has all the necessary information and resources to continue their work seamlessly.

I want to take this opportunity to thank you once again for everything. I appreciate the trust and confidence that you have placed in me during my time here, and I wish the company continued success in the future.

Please let me know how I can assist in the transition process, and if there is anything else that I can do to help.

Sincerely,

Najam Uddin
