Subject: [EXT] Resignation letter

Dear sir

Please accept this letter as official notice of my resignation from my role as union council polio officer , effective last day of employment. I am planning to move to Swat due to personal issues and am unable to continue working in karachi due to this transition.

My time at CTC as a UCPO has provided me with invaluable opportunities for my personal and professional development. I appreciate the encouragement, mentorship and community that I have found working on your team. I will miss collaborating with you and my coworkers. This position has helped me develop a strong background that will undoubtedly help me achieve my professional goals.

Before my departure, I will do everything I can to support our team by completing current task and preparing documents that describe any ongoing obligations. I am happy to help train my replacement or update human resources documents to accurately reflect my current responsibilities. If there is anything else I can do before I move, please don't hesitate to ask.

Sincerely,
Kishwar Gul
