Dear Waseem/Faizan,

With reference to below email, an explanation letter has been issued to UCPO Mr. Jamshed Iqbal on account of non-serious and casual attitude. In response he mentioned that he was not informed by anyone regarding the change in venue of team training. In addition, he did not mention regarding presence in Khar Bazar during working hours.

His response to the explanation letter is unsatisfactory, as per feedback of his supervisor there was no change in training venue. He is recommended for warning letter on account of non-serious and casual attitude.

In case of any comment/feedback regarding the same please let us know.

Thanks & Regards,
Shahid Ali

AOA Dear Colleague,

Hope you will be in good health. As discussed in previous occasions the punctuality is one of the basic attribute contributing to the achievement of Organisational goal. Much melancholically, it is observed that in last week on 11th Feb you were found in khar bazar at noon without intimating your first and second level supervisor. Similarly on the very next day during team training at your AOW you remained late and was not available till 10:30 am. Please submit your written reply and meet me in person for your final orientation.
