It is with ref to your explanatory letter No ELKPK_17/March/9th,2020

Sir,

With humble submission it is stated that I shared my activity on dated 7/3/2020 that i will monitor EOR activity and will also attend orientation session in DPCR on the same day.

As I was busy to monitor and verify EOR activity in area 2 Narmi khel,Meanwhile when I judge the time I left the field to attend the orientation session in DPCR.

I was on the way to attend the,suddenly my motorcycl got "pungcher" on the road where there is no population and the road is in between the hills.Then i try my level best to communicate with someone but there was communication gap too.

As the journey taks 3 hours on pedestrian to reach Mandi Baka khel.when i reached there on pedestrian at mandi baka khel unfortunatly the orientation session in DPCR was already off.
