Reply of Explanation letter

It is stated with great concern, that on 3rd march, 2020, my activity plan was preparation of micro plan for the upcoming campaign CR march 2020 with AIC and UCMO. But the building of BHU work is in progress. We have no proper place to sit. In that reason we were preparing micro plan in AIC clinic near to BHU. That why DSO Orakzai found me absent in the field.
