 Dears,
 As I have been appointed as UCPO of Spidar Ali Khel upper orakzai District.
 From the first day of my duty l work with wholeheartedly to eradicate polio virus as soon as possible.
 On the 3rd March, I have sent headcount to DPCR office that I have to visit to Wublan village to observe whether under 5 children are available or not over there. Because the people had been migrated to nearby districts of K.P. so the younger who have ability of working have been returned except under 5 years children.
 First of all, mobile network does not work properly so each villagers have to keep Mobile where signal can access is possible.
 So I had kept my Mobile to signal at my home and I had gone to field.
 Dr Abas visited to the area where his Vigo could easily go but did not visit my duty centre.
 The Spider Ali Khel upper orakzai District is very tough area only one road leads to the one side of Spidar ¡¡ so the rest of the area has to cover by feet.
    If you want me to sit on the road side to meet the officers so I agree on this.
 And further
