Dear sir/Madam,

Thank you for communicating the inquiry Report to me.

I have the honour to Explain that I have Topped the test & interview Conducted for UCPO Post UC Jogani. In the said interview, 1 another Person with no TTM Experience was also called for test or interview. I have worked in many Polio Campaigns as Transit Team member , TTM & Especially in IPV Campaign at UC jogani.No one gives Experience Certificate to TTM from WHO. Let me Clarify that I am the most competent, Qualified, active & influential candidate among all the interviewed candidates.You all Check my performance on ground, if I am not competent enough, then I will resign.I assure you that I will Bring a very positive change in UC Jogani Polio Program.Also plz share the results of Test & interview of all candidates for the same post with me.Their Score less than me in Test & interview is a Clear sign of their incompetency ,Therefore, they are making complaints against me.i will also share my performance report in this campaign ,in which administrative Coverage percentage of UC Jogani is on TOP in whole town2 Peshawar

It may be added that many of the candidates are Selected as UCPOs,UCCSOs,AiCs,SMs who have no prior experience in polio program,many of them, get on job training and experience in polio program with the passage of time.

It may be further added,that the Political & religious leaders of UC jogani are very much happy on my selection as UCPO jogani & I will use their influence for Refusals Conversion in future.

Therefore,I request you to Cancel all Useless Complaints launched against me & let me do Foot Work for Polio Eradication Program in the Best interest of Public Health.

Yours Sincere,

Mustajab khan
