Dear Waseem/Faizan,

With reference to below email, an explanation letter was issued to UCPO Rooh Niaz on account of absenteeism from pre-campaign meeting dated 7th March 2020. In response he mentioned that on 7th March 2020 he was busy in EOA activities in area 2 Narmi Khel and then he left for DPCR to attend meeting. However, his motorcycle got punctured and he was unable to communicate with supervisor due to non-availability of network.

As per supervisor feedback the EOA activities were stopped due to shortage of EPI staff and he did not contact with his supervisor throughout the day. When TSCP called UCPO at night so he mentioned the same reason.

His response is considered unsatisfactory, the reason he is mentioning is not justified. He is recommended for warning letter.

In case if you need any further assistance regarding the same, Please let us know.

Thanks & Regards,
