Subject: Warning - Surveillance Activity & Attitude

Dear Imran

Please issue warning to UCPO UC 5 Qurat ul Ain for following:

1. Not collecting zero reports from zero reporting site for past 8 weeks. All staff were given 3 days time to update the zero reports from 16th March 2020 – 18th March 2020 and yet she failed to inform me about these uncollected reports. She is well aware of the instructions for when a zero report is not collected.
2. She also tore away the maps from old registration books. This not her authority nor in SOP. When I spoke with her, she admitted that she ahs but she is unable to understand the gravity of her incorrect behavior.
3. She has threatened the staff telling them that she will deal with them once April 2020 starts in lieu of the structural changes in process within the organization.

Qurat ul Ain has been counselled time and again by myself and her colleagues, she comes onto track for a few weeks and then back to her original self.

Regards
