Subject: Re: Leave Applications of UCPO Naseer Ahmed Mari pur uc6

Dear Naseer

I hope I find you well. You mentioned that your father was undergoing an operation whereas the evidence you have given shows that he has undergone cystoscopy (which is a diagnostic test and does not take more than 30 mins to perform).

Please refrain from misleading your direct supervisor in future.

Dear Imran,

Please take note of the miscommunication carried out by Mr Naseer.

Thanks
Regards
Dr Wasif Jamil Shaikh
