Respected Nadeem Jan sab

In paragraph number four he has admitted that he shared the all mobile Teams deployment status rather than 2 mobile teams were not deployed to field at 9:15 and also admitted that one AIC was also late but he shared 100% teams deployment status with Data TTM in DPCR and also didn't mention the late arrival of AIC and late deployment of Teams in his Daily progress report(DPR)
kindly issue him an official warning letter to be vigilant in future
