Dear Imran

Thanks for Asking Feedback

As per my discussion with our Respected AC Sahb Larkana , we have decided to give him the final chance for improvement within coming 02 Months therefore the Final Warning should be issued to Mr.Yasir Qazi to improve his performance in work and I will Continue my Supervision on his work , if he won't improve in next 02 month then Ultimately we can go for his Termination ..

Thanks

Regards : Dr.Sagar Singh
