Dear Shahid

Mr Taj Muhammad claims that, "The main purpose of delivering speech was to raise awareness about COVID 19 on mass level." However he was not delivering messages the way he is expected in his capacity as UCPO. His speech sounds more of political nature.

Therefore the case should be dealt with as per HR Policies.

However in view of his previous services and contributions to PEI Program, I recommend penalty which may include Warning and deduction of salary (**If not in contrary with HR Policies**).

Subject: Show cause letter reply

Respected sir,

I had the opportunity to address a huge gathering of people. The main purpose of delivering speech was to raise awareness about COVID 19 on mass level. The other messages that were delivered in my speech were only used as tool to increase interest and attention of the target audience in my session regarding COVID 19. In addition please be informed that the other video that has been shared as evidence of my involvement gathering is very old and not shared in fair intentions. However if I have unintentionally violated my organization's code of conduct, I feel sorry for that and will try to avoid such practice in future.

Thanks

Your sincere
Taj Muhammad
(UCPO) Zhalai
