Dear Nadeem Jan Shb Aoa

Thanks For The email, although the Response of Ucpo tanveer is not what I was expecting, if no Vehical was available for him he could call to supervisor and seek advice or he could request for leave for the day. But looking to his past performance and record, I would suggest that for time being explanation is enough.

One request I would like to put is, if Your good office can call him and give him a verbal warning if SOPs allows. I already has discussion with him about the matter.

Please keep this Explanation in his personal file for future reference.

Thank you once again.
In case of any query please do Let me know.
Best Regards
Dr. Ghayasuddin
