Dear Waseem/Faizan,

With reference to below email an explanation letter has been issued to UCPO Rehman Ullah on account of Neglect of duty. In response he mentioned that, he is checking vaccine management before and during campaign and he had informed concern UCMO to store all other vaccines in district store as in MOPv2 campaign other vaccines are not required. He shares morning report (team deployment) with DPCR during

campaign on daily basis. He further mentioned that due to non-availability of printing facility he did not take prints of supervision plan.

As per feedback of his supervisor, the response and evidences submitted by UCPO is unsatisfactory as he is well aware of the SOPs that supervision plan must be endorsed by the UCMO, on the day of ICM he failed to provide his supervision plan, Vaccines Management record to the concern TCSP SD Wazir.

His response to the explanation letter is unsatisfactory, he is recommended for warning letter.

Thanks & Regards,
