Respected sir,I am performing my duty with honesty from day 1st.sir I am checking vaccine management before during and after the campaign.sir I have already inform the concern UCMO before this campaign that please store all others vaccines in district store.Because this is mop2 campaign. And there is no need of others vaccines at CD yet.

Secondly if any team found Absent on day 1st.sir I himself gave the resignation. Sir I have already send morning report to DPCR nominated person zobair at time.my report screenshot picture is for proof.

Sir, the third mistake is mine. but my UC is 50 kilometers away from Bannu. sir there is no printing facility in my UC. And not near without Bannu. sir supervision plane was already present with me in Excel screenshot picture is for proof.

Sir inshallah next time I will try my best to performing my role according with the expected standards of the program. Thanks

Yours obediently Rehmatwali UCPO UC Saintanga.
