Respected Sir,

Reference to your email dated 20-4-2020 regarding my explanation during Corona Pandemic Emergency Roster duty, I have carefully reviewed the detail provided to me in this email regarding my negligence which indicates that I failed to report related issues & unable to complete the tasks given by DPCR team also on non compliance.

Further I'm very careful for next time and ready for any duty & any task without any failure.

Sir, that I'm feeling very guilty on this EXPLANATION which is 2nd time in my life, so I hereby request you to please kindly forgiving me on my behavior.

Thanks for best co-operation at all the times.

Regards.
