Dear Sir,

Hope you will be fine & healthy. On the mentioned date I was in field where there was no network that's why I couldn't receive SMS on time. The same day activity report (Death investigation report) I have already shared with PEO Dr. Fawad through SMS which is on record and even discussed it telephoncaly. Therefore it's incorrect to say that I was absent.

It's for your kind information that when I received SMS sent by DSO regarding meeting at about 2.00 pm on the mentioned date, then I contacted with other TCSPs they told me that SMS regarding meeting was sent us on about 3.20 am. They further added that they hired vehicle & very hardly reached in very short time to participate in meeting and they waited of DSO for whole day there in DPCR but DSO Dr. Abbas didn't come for meeting and remained absent personally. Thus they returned back to their 60 KMS away homes without meeting.

Now it's very humbly requested that kindly behave/ treat us as humans/ servants not as slaves. Kindly stop our harassment.
