Dear Sir.

It is to inform you that Hawaldar UCPO is unaware of his areas. Which is very harmful for the program and always a heartache for me. I am going to brought in your kind notice. That if this situation remain. It will adversely affect the program. So on behalf of you this warning is issued to him that he may improve his performance in the following fields.

1. His response always very late and slow.
2. Not aware of his areas day to day updates.
3. Lazyness is at peak level.
4. Low performance among all UCPOs.
5. Communication gaps.
6. Mobile or contact problems..

7. Mobile not responding when I am trying for important informations or data.

I hope that he will improve himself with this warning.
If not improved than will need strong action please.

Best Regards.
