Respected Sir
AOA

In the response of explanation called by CTC, i would thank you for giving enough time for responding and explain myself, TCSP called my explanation on 5th Jun 2020, his explanation is valid because i did not provide him data on time.

There was a death of a woman owing to fallen from mountain, the death was occurred in UC Barang 2, area Barang 3. The area was too far and issue of petrol too, i had reached the same area late and verified the case late and reported to TCSP on 3:00pm, being responsible i should have submit data on time and reach the case venue by any means but due to no fuel i could not for which i am sorry and appologized too. Next time i will try my best to deliver in every situation and time will be managed.

Rest i am delivering my job,s TORs as per SOPs and obey what program directs and my supervisor instruct me. being human i can make error, my supervisor should instruct me where gap is and instructed where needed for which i thankful to him. I will try my best to deliver with integrity and appologized to TCSP if i made any misbehave which should have not made.

I have tried myself to deliver with integrity and zeal and will try always to deliver my duty as per my job,s TORs.

Regards
Hawaldar Khan UCPO
