Dear Imran,

During post exit of CBV strategy in 89 UCs of Karachi, there have been demonstrations observed at Karachi PressClub and Government Offices by laid off ex-CBV workers. They are demanding their retention in the program.

UNICEF PEI Security Focal Point at EOC has been following the demonstrations and has informed us (see below email) that one of our serving UCPO is involved-backdoor and supporting the demonstrations.

You are requested to investigate the matter and take necessary action. If you need any support from our side, please let us know.

Dear Dr Asalif

During recent transformation process, Polio vaccinators some positions got abolished in Karachi City and the vaccinators were laid-off. Since then, these ousted workers have resorted to protests for their restoration.

During the process of monitoring protests in coordination with the LEAs, it figured-out that a **servicing UCPO Mr. Minhaj** Ahmed from UC-6 (Rifah e Aam), Shahfaisal, Korangi is also a **member of the protestors** WhatsApp group “*Unity is power*”. Though his physical participation has yet not been established, snapshot proof of the group membership is mentioned for you info.

UCPO Minhaj’s mother Ms. Azra is serving as LHW (acting UCMO) in the same UC.

For info and necessary action, as deemed appropriate please.

Regards

**Shahid Mehboob**
