

Response of un approved Absenteeism

Respected Sir,

On dated 12/06/2020 i was going to support my epi Technician in EOA in village katta khel during that time my relative was seriously injured by knife by my neighbor. So I went back to home. Sir you know that in such incidents whole mohalla is considere one side and other is considered opposite side. So I could not attend field duty. PEO Dr Rafiq sb also called explanation. I apologize regarding my absentee and will try 100 % to inform you prior.
