Dear Awais

UCPO informed that UCDO took a fake cluster which was verified by concerned TDO. The cluster was not fake as per email attached. Similarly, we have shared an email with Miss Naila regarding allegations of Harassment by UCDO. I will request your team to investigate both issues as soon as possible.

**Subject:** [EXT] UC Shahi Bagh Fake clusters inquiry

Respected Sir,

Reference to our telephonic discussion regarding the issue of fake clusters in UC Shahi Bagh, As per your instructions I personally visited the same highlighted area and houses, clusters of which according to the concerned UCPO were fake taken by the UCDO Shahi Bagh.

During my visit of the area, I assured to visit the same houses of ICM check lists of campaign days (31 July and 02 August) handed over by UCPO Shahi Bagh.

During investigation, I found the children at houses who were being mentioned in the cluster. Similarly, I enquired the households whether UCDO visited those houses or not, upon which The households affirmed her visit.

Recommendations: The personal issues of the UCPO and UCDO, results in deterioration of the UC working environment and also waste of time of district management. Kindly see in to the matter and

Enclosed hereby please find the check lists provided by UCPO, for your reference.
