

Written Statement of UCPO Muhammad Tabir

① Interference in HR Selection:

Dear Shahid sb, I am only doing the CBU recommended staff locality verification as shared by Laseeq Ahmad from WHO. I am not involved in any type of recruitment nor this is my domain..

② MR Payment Issue:

MR campaign was totally supervised by our Ex UPEC Chairperson Madam Fouzia Afridi. She onboarded our CBU staff for involvement in the MR Campaign. I personally do not convey a single message to any staff / team member that you will be paid for these services.

Regards

Muhammad Tabir
