Statement Regarding Incident Report

I Dr. Mir Karim Shah working as UPEC Chairman UC-Shahibala has the honor to submit the facts about incident reported to high ups.

Main points are as follows:

- EPI Center Shahibala is located at a rented building with capacity of only two rooms, one room allocated for EPI, whereas the other room is allocated for all 48 staff members including UCDO, UCPO, Area Supervisors, ALSMs, RSPs, CHWs, UC-secretaries and other pipeline departments supporting members as well.
- Due to low capacity for accommodation of staff, I Dr. Mir Karim Shah wrote an application to EPI Coordinator District Peshawar at dated 30/05/22 to shift the EPI Center Shahibala to another nearby identified building which has the capacity of four rooms, two washrooms, separate waiting area for male and female and a wide car parking as well inside the building.
- CBV staff is shifted to new building due to low capacity in Private EPI Center Shahibala on priority basis on dated 03/06/22 before SNID June 2022.
- Till the approval of new building by EPI Coordinator District Peshawar the Rent of New Building will be paid by UPEC Chairman Dr. Mir Karim Shah by his own well to facilitate the staff in this challenging summer season.
- Team Shahibala has the capacity to enhance Polio vaccination and the results were obvious in June SNID 2022.
- All team members of UC Shahibala including UCDO, UCPO, UCCO, ALSM and rest of staff are working politely and in friendly manner till date.
- The new occupied building for EPI Center Shahibala has the capacity to fulfill all the requirements towards better services in the best interest of public.

- I may humbly request the inquiry officers to kindly facilitate in term of approval of new building to facilitate the staff towards good services to community.

I hope that the report had everything for your satisfaction. It is requested to accept my comprehensive report in subject noted above. And consider it for the clarification of the facts.

I shall be grateful to you.
