

Dear Sir,

I am Muhammad Ishaq UCPO Khalsar.

Recently the Inquiry was conducted by Ctc and People Side Regarding The ~~ABS~~ Absentism of 2 Absm, Sheraz Jend Umair. I was marked Absent both of them because of the habitual behavior of both on Regular come late in Morning, first I asked UCO and then I absent, I also Report the Such Issue to the Tco Asif through text message, on that day.

Sir, Generally Several time I request to UCO Schait, please ensure their attendance on time, Sir I also Remember daily Activities and live location in watapp group, but the Comm Team are not interesting to share even I asked from UCO, Several time I told to UCO to please share their Monthly Activity Planner in the start of the month, but they did not provide us all Now.

Sir when I Assign a tasked from Ucmo side Regarding, EI Activities or other

Related activities, they provided excuses
on that,

They also said that we have independent
body regarding our activities, direction,
mean, UCO, TCO, → mem UCPs have
No Authority to assigned a task.
Regarding our works,

Sir I request to ~~Seminar~~, Provide
Training Regarding organization
working behavior, cycle, management,
and behavior.

Thanks

UCP
Khalaz.
