**Dear Mr. Israr,**

Reference to our recent telephonic discussion, we have received a complaint that a group is active in UC Ward-8; which is involved in immoral & negative activities in UC. Additionally, it was told that UCPO has filed a written complaint against that group (with names) to TDO of UC Ward-8. Kindly update us regarding the said matter. If you have received any written or verbal complain, do share with us.

Your usual kind support is requested.

Thank you

Best Regard,
