

It is stated that Rehman Zareef is working as TPEO in Tehsil Pindigheb. My interaction with him in my office is like 3 to 4 times a week. He is regular with his duties. But he has not visited my office for last 14 to 15 days due to some work in Adock. He is very professional. I have never received any complaints against him from my staff. He is working efficiently here I have no complaints regarding him. He always share reports with me regarding EPI when he visits different health facilities in our Tehsil and all these reports are always based on truth. He never gave me any false report or complaint against anyone.

Deputy District Health Officer
Pindi Gheb
