**Subject:** Request for investigation of fake degree

Dear Sir,

I would like to get your kind attention towards a chronic issue where a UCPO Raza working at UC.08 GaboPat in kemari Town has made a breach of discipline utilizing a fake degree for his appointment. since, we are at a national cause and work on behalf of govt indicator and secondly using a fake degree is totally irresponsible, breach of rule of law and discipline.

Please consider the issue and act accordingly.

Thank You  
Best Regards
