Respected CTC officer/ Manager legal & contracts
Subject: Response against show cause letter for dual job.

Respected Sir,

This is for your kind notices that being a human everyone trying to cope with job security and future saving programs. I applied in education jobs advertised by elementary & secondary education (E&SE KP Peshawar) & awaited for long time for test. After successful passing & qualifying of test marks & appearance to interview made my selection as primary school teacher (PST) . Soon after the selection an application for without pay leave submitted to the department and dully approved by the District Education officer (DEO Male Peshawar) is attached with the application.

During the process summer vacations & so other vacations were planned & with the passage of time i spent whole time at my UC to extend support for polio program and national cause. It shows my commitment, dedication and transparency towards program policy and TORs.

Dear Sir, since long time I am connected with polio program being TTM in UC Gulbela and recently working as UCPO in Pajjagi. I never ever involved in any type of fake data, information or job related locations etc. My program teams at both UCs including UPECs chairman have close linkages with me & every aspect of the TORs successfully followed by me.

Being human it is my dire need to work as UCPO and remained on leave till October 2020 (without pay) only for my intensive need for family, financial and Personal needs of the routine life. I am the only head of the family and all expenditure related to me due to this job.

I always share live location, morning attendance and related information to my concern PEO Dr.Farukh saib. I always participated in morning, evening meetings, community sessions, campaign days activities, Extensive outreach activities (EOA), polio walks, community jirgas, orientation sessions, DHO and DPCR, WHO & CTC level meetings or any task assigned by UPEC Chairman.

I hope that you will be satisfied my professionalism & dedication from my response and UPEC Chairman letter.
