Dear Sabeela,

As mentioned by Dr.Shamsullah Sb Hafiz Raziq is one of the most punctual members of DPCR Killa Abdullah. And he has extended support to PEI beyond his TORs by visiting different union council and madrassas during campaigns and carrying multiple activities strengthening the program directly and indirectly. For the query of RSP appointment under the chair of worthy deputy commissioner or his designated officer the DPCR team finalises appointments and terminations of RSPs. And PSTF cannot appoint nor terminate any RSP on his own.

Thank You

Dear Mss Sabeela

The PSTF Perform his duty regularly and he is punctual and available at DPCR regularly. perform his assigned task.

Secondly the taking or Terminating of a RSP the decision and approval is in the hand of DPCR members not only PSTF.

So the Complain is baseless.

Dear Dr. Shamsullah Sb,

Please refer to the mail below for your information and official response of the DPCR for the flagged query. I understand that emails from unknown persons have less weight as there is a proper mechanism of complaint at DPCR under the oversight of the Deputy Commissioner which was not followed by the complainant, however, it is still required to follow the matter with urgency. Can you please put investigation under the leadership of the worthy Deputy Commissioner to make it more transparent for a final report.

Thank You

Dear sir,

Qari Abdul Raziq (Head Of RSPES In District Qilla Abdullah Tehsil Chaman)

First of all, Qari Abdul Raziq never performs his duty by making regular absenties and uses his phone to provide tasks to his members of staff. He always has clashes with his staff on the basis of caste. He does not provide merit system and appoints the people he likes and some of the members are eligible with very young age. And few of the members even don't have their identity cards e.g. RSP HAFIZ MUHAMMED UMAR (UC M1) submits the CNIC of M.sadiq for his approval of the job illegally.

plz sir take actione

Thank you
