Subject: RE: [EXT] Non locality

Dear Dr. Aabad,

Thanks for the email . Please be informed that the newly hired staff UCPO Abdul Ghaffar is local for the hired UC. We have confirmed his locality through Tehsil Dobandi and UC jilga-1 Map. The address mentioned in said staff's CNIC is "Killi Mullah Wazir Hasna Toba Achakzai" and as per the UC Map "Killi Mullah Wazir" is in UC jilga 1 and boundary line of UC jilga-1 and jilga-2 .

For reference Map of UC jilga-1 and Tehsil Dobandi is attached along with staff CNIC.

Furthermore, the staff locality is also verified from other UCPOs and UCCSO of Tehsil Dobandi. They also verified that said staff is living on the boundary line of UC jilga 1 and jilga 2 and your kind self also endorsed that he is living in Toba Achakzai and boundary line of UC Jilga-1 and jilga-2 .This proves that the complaint is baseless as he is not non-local.

If you need any further information regarding the same, please let us know.

Regards,

Mr. Khan Jamal,

Thanks for showing your concern. As the hiring responsibilities & all other concern methodologies are carried by an organization called CTC, we are afraid they would not do something which is against their own rules. The same person has worked in Jilga-1 as Area Supervisor for more than 2 years as per my knowledge but still your concern is shared with HR CTC for further looking into the matter.

I am Dr Aabad Khan Polio Eradication Officer for Killa-Abdullah with assigned tehsil of duty being Dobandi below you can find my details & contact number feel free to contact me anytime to settle the issue & I will personally want to meet you also.

Please very humbly requesting not to try to hinder the Polio campaign activities by any mean as it's for the protection of your own children your own union council your own district & your own beloved Country.

Thanks in anticipation.

Dear Ms. Sabeela & Mr. Khalid,

If you can further dig in the situation & sort out a good plausible solution.

Warm Regards:
