Respected Sir

It is stated that I have read the policy of CTC and knowing the rules and regulation about dual job and resignation policy. I have passed the EATA test of Teacher. Interview was also conducted and I was selected as Arabic Teacher and the process of selection and joining is so long that still I have not joined the education Department and all the schools are closed due to corona and the date of joining is not fixed. Education Department issued letter on July-2-2020 that salaries will not be released/given to fresh selected candidates.

Therefore, it is requested in your kind office that whenever, I come to know about the joining letter, I will give resign a month prior as per SOPs of CTC-PTPP from the assigned position of UCPO at Angoor Adda.
