

Respected H.R./Shahid Khan

①

Project coordinator etc.

it is stated that on 20 July 2020 Zesham (92 News) media person ask me for support at BHU Kakshal - 2 regarding the Covid-19 media coverage.

I call Fawad to help him & ask Ufat (EPI) if possible they are coming just to take voluntary messages.

Fawad told me that I am at home & I request to support them if possible.

Fawad (WCSM) asked me regarding contact number of Zesham & I shared the number on Fawad's Request.

After that I did not know about any Radio opening & Tik Tok videos.

I was not informed by any one regarding this activity as I did not mean of this activity.

I really appalize for sharing the media person contact number with Fawad & asked/requested for support. ~~As I never take~~

I ensure you that I will never ~~take~~ involved in any kind of Media activities without the supervisors approval.

~~It~~ I want also to clear the point that I ~~was~~ ^{did} not know regarding any activity. I just request Fawad to support in recording of volunteer persons video not immigration of Tik tok video. As I was at OC Landi Arbab at that time.

Best Regards,
Abdullah Khan
