The CBV/COMNet staff members and concerned UPEC Chairperson have submitted their grievances to ERU Coordinator in which not

only the behavioral issues of the said staff member have been highlighted but also that he has been appointed without following the recruitment process. As CBV/COMNet staff is involved, therefore, joint meeting is recommended in order to record stance of PTPP as well as CBV/COMNet staff. Feedback and approval of WHO PO is requested in this regard.

The session was inactive due to failed mobilization of the field workers but when I asked for the feedback of UCO Mr. Mushahid on concern activity in the communication group, his reply was clearly imprinting arrogance and was out of professional ethics.
