Subject: Emergency leave on uncle's death

Respected Madam.

With due respect it is stated that I am very grieved to inform you that my uncle(phupha G) has passed away. I have to attend her funeral services and due to which I cannot come to my duty place. I never ever applied for leaves in campaign days but this is an emergency. Please grant me a leave for today. I shall be very thankful for this kind favour.

Regards
Babar ali
