Thank you Sabeela. One of the most important criteria to select new TPOs is that previous UCPOs whose contract was terminated have to get priority in this TPOs recruitment process. Kindly look in to this. If there were no terminated UCPOs in the district, no issue.

Thanks
Temesgen

Subject: [EXT] FW: TPO and UCPO internal hiring result.xlsx

Dear Sir,

Greetings from CTC!

Reference to the recent internal recruitment process of TPOs and UCPOs for Balochistan please find attached scoring sheet and hiring status.

recruitment process among internal staff has completed and candidates are recommended /reserved /not recommended on the positions as mentioned in the attached sheet .

The recommended candidate has marked local to their applied Tehsil and UC as they have submitted standard Local certificate and CNIC. original academic record were also checked on the time of test and interview. CVs of all mentioned candidates are also attached .however on the time of induction if candidate is failed to submit their original documents then CTC will not offer the position.

CTC will also verify locality again (if needed) after the deployment and if employee is marked non-local and will lead to disciplinary action.

In this regard you are requested to kindly share your kind comments

/feedback on attached scoring sheet and after this CTC will be able to induct the recommended candidate accordingly.

In case if you need any further assistance regarding the same, Please let us know.

Thanks and Regards
Sabeela Pasha
