HRMP - High Risk Mobile population ✓
GPEI - Global Polio Eradication initiative ✓
LQAS - Lot Quality Assurance Sampling ✓
N-STOP - Nation Transmission of polio ✓
TAG - Technical Advisory group. ✓

Q.No.2- Write Short Answers of the following Questions- (Marks- 10)

- i- What is PCM and why it is carried out? 03
PCM: post Campaign Monitoring and we checked overall fee during PEM and PCM is very Mosp part of Campaign.
- ii- What is the purpose of outreach activities? 03
Out reach session conducted by S.M. where are all routine vaccine available are provide to door step, this is called out reach.
- iii- While conducting a field visit to monitor and supervise Areas level workers and Community Health Workers. What are the keys things related to their work you will observe and provide feedback on? 04

Ans: Monitoring is the regular observation and Recording of the activities taking place in a project or programme to monitor is To check on how project activities progressing, it is systematic and purpose full observation
Monitoring also giving feedback about the project of progress to the donor, implement and beneficiaries of the project.

Q.No.3) Lot Quality Assurance Sample (LQAS) was conducted in UC 1, 2, 3 and 4 in District Quetta. (Table below) to evaluate the performance in Anti Polio National Immunization Days. After vaccination of the child during the campaign each child is finger marked, which is later checked by the evaluator. During the campaign children are missed for various reasons. If more than 3 children are missed in the sample/lot of 60 LQAS, which is considered failed. The DEOC has directed you to prepare two paragraphs briefing him on the results of LQAS, which he has to share with the Secretary Health. Kindly write a short analysis of the LQAS that can be shared with DCs. (10 Marks)

District	Union Council	Total checked	Unvaccinated children	Results	Reason for Missed children			
					No Team	Not Available	Refusals	No finger Marking
Quetta	UC1	60	3	Passed	0	3	0	0
	UC2	60	8	Failed	0	8	0	0
	UC3	60	19	Failed	13	2	1	3
	UC4	60	8	Failed	0	0	8	0

Q.No.4- Assume that you have staff working in a security compromise area and you cannot monitor them frequently, what steps you will take to make sure that staff are working effectively and efficiently in terms of monitoring and evaluation. (10 Marks)

Q.No.5)- What will take to eradicate polio from your district? (05 Marks)

THANK YOU FOR APPLYING

Q105

Ans: Polio Campaign has not been carried out in mountainous region for a long time

Therefore polio virus is present children

Living in those areas when they move from Mountain to plain areas they transmit the virus and we will eradicate virus on this

2

Strategies

- 1 Identify all entry point and cover administrative data from it team there
- 2 Hire and train employees for HRMP children because more children missel come in HRMP
- 3 we will function PTPs point then virus can eradicate.

Q106

Ans: In this table highest missed children in UC3
Then UC2, UC4 and UC3,

So following strategies as a descending form as UC2, UC3, and UC4,

short note to DC about LCAs fail.

Respected sir,

- 1 Highest refusals recorded in previous Campaign then we had tried but he was very chronic and no coveral during Campaign by UPEC committee
- 2 NA children not covered 100 percent and still NA was present at home and team was covered
- 3 NRMC: 2 children. Monitor was reported 3 misselehit

But they were vaccinated & verified
And they were vaccinated, and i reported
Finger Marking issue already reported
to DPQR,

5) Respect sir I change overall staff for upcoming
Campaign and I included overall government
Accountable persons, therefore public eradication
is our National duties

Q No: 4

Ans: Monitoring is the regular observation
And recording of activities taking
place in a project or programme. It is
Process of Regularly gathering information
on all aspect of the project.

To Monitor is to check on how project
Activities, it is observation systematic
And purposeful observations

Monitoring also giving feedback about
the project of the progress to the donors
and implementors of the project
Reporting enable to gather information
to be used in making decision for
improving project performance

Evaluation are very most for each
monitors
